## Oster® Professional Products Care & Maintenance

### 78211-350 Clean 'N Care™ All-In-One Blade Spray

Maintain your tools with ease by using this great all-in-one tool. This product will disinfect, clean, cool, lubricate and prevent rust on your clipper blades.

### 78211-333 Kool Lube® III

Continuous product innovation from the Oster® Professional Animal Division delivers the best in a cooling product for your blades. One quick spray delivers instant cooling, lubrication and cleaning for clipper blades. Reduces friction, heat and blade wear.

### 78211-312 Blade Wash® Cleaner

Easily flush away hair that accumulates on cutting blades with Oster® Blade Wash® Cleaner. It is also ideal for removing factory-applied preservative from new blades while acting as a blade lubricant.

### 78210-922 Spray Disinfectant

This handy Spray Disinfectant is a must have. It kills most germs and helps to prevent mold and mildew. The clean, pleasant citrus fragrance also helps to eliminate odors.

### 78917-160 Premium Lubrication Oil

Developed especially for professional use, the Premium Lubrication Oil is our best non-detergent oil available for clippers and blades. The Oil also meets FDA purity standards.

### 78917-675 Electric Clipper Grease

Oster® Electric Clipper Grease is a tough, hard working lubricant that can be used on all Oster® electric clippers.

### Care & Maintenance Tips

- Use Blade Wash® Cleaner before the first use and after each use of your blade.
- Kool Lube® III cools, cleans and lubricates the blade during the process of clipping.
- Spray Disinfectant should be used before and after each clipping to prevent the spread of germs and bacteria.
- Blades should be oiled with Premium Lubrication Oil before, during and after each use. Place a few drops of oil between the top and bottom blades. Wipe off excess oil with a soft cloth.

#### Turbo A5® Two Speed 78005-314

- Strokes/min.: 4000
- Groomer: Professional
- Large breeds, heavy coats
- Used to shave down extremely heavy or matted coats

### Grooming Tips

- Bathed, dried and tangle-free dogs will be easier to clip.
- When removing mats, keep skin pulled tight. Never cut into a fold of skin.
- Oster® Universal Comb® attachments and guide combs snap onto blades and allow groomer to cut hair at a uniform length.
- Oster® Kool Lube® spray provides instant cooling, lubrication and cleaning for blades.
