

# Wash Down Nozzles

## VOLUSPRAY BRASS Wash Down Guns

**Flexogen Premium Hose recommended  
for use with Volusprays**

Heavy, solid-brass Voluspray Wash Down Gun nozzle adjusts from a powerful stream to fine spray with a simple twist. Black ribbed neoprene covers and protects the nozzle and provides a comfortable, secure hand grip. Twist for positive shut-off. Nozzle works with booster pumps to a maximum PSI of 125. Choose barbed hose fitting or NPSH female fitting in 3/4" or 1". Fittings are solid brass and are screwed onto the nozzle proper for interchangeability. Premium Flexogen Hose is recommended for use with the Voluspray.

**FEMALE FITTING  
VOLUSPRAYS**

**BARBED HOSE  
VOLUSPRAY**

- VG991** Voluspray Heavy Duty Wash Down Gun with 1" NPSH female fitting. Wt. 2 lbs.
- VG992** Voluspray Heavy Duty Wash Down Gun with 3/4" NPSH female fitting. Wt. 2 lbs.
- VG990** Voluspray Heavy Duty Wash Down Gun with 1" barbed hose fitting. Wt. 2 lbs.
- VG880** Voluspray Heavy Duty Wash Down Gun with 3/4" barbed hose fitting. Wt. 2 lbs.

## Heavy Duty Plastic Wash Down Guns

Anka Hose Nozzles are strong and robust with quick-action on/off and a fully adjustable spray pattern. Made of quality industrial reinforced nylon, nozzles are impact resistant. Their high flow rates insure a fast wash-down time.

The uniquely designed outer ring protects the nozzle from impact and excessive wear. Spray is adjustable from wide spray pattern to full bore flow. Hose tails have no sharp edges on the barbs, reducing the chance of damage to the hose when clamps are used. Nozzles are easily taken apart for service.

- 929-0025** Nozzle with hose tail, 1". Wt. .4 lb.
- 929-0032** Nozzle with hose tail, 1-1/4". Wt. .5 lb.
- 929-0040** Nozzle with hose tail, 1-1/2". Wt. .7 lb.

## Nozzles

**Neoprene  
Nozzle**

**306R**

### NEOPRENE DAIRY NOZZLES

High-capacity Neoprene Rubber Nozzle has reinforced brass threads.

**98100** Nozzle, 1" female, 4-3/8" long. Wt. 4 oz.

**98075** Nozzle 3/4" female, 3-3/4" long. Wt. 3 oz.

### LONN WATER SAVER NOZZLE

Heavy-duty drop-proof nozzles have concentrated pressure stream. Rubber nozzle turns on when you bend it and off when released.
