

Milking Buckets & Lids

Poly Milking & Fresh Cow Buckets

Extra high-density semi-transparent seamless polyethylene milk bucket has rounded shoulders and stronger reinforced bottom. Its economy and durability make it an ideal choice for fresh cows or hospital cows, and the locking handle option is approved for Grade A milking. Two handle styles are available, either locking stainless steel for Grade A milking or standard galvanized carrying handles. Milk level is easily seen on the permanent scale marked for pounds and kilograms in large molded-in numerals.

Bucket comes with solid storage lid. Order milking lids separately, using chart. Bucket rim diameter is 6-15/16" ID by 7-21/32" OD.

MP120 Poly Fresh Cow Bucket with galvanized handles, solid storage lid included. 40 lbs. (19 ltr.) capacity. Wt. 9.25 lbs. We recommend Lid #140425 or Lid #4008096 shown opposite.

MP140 Poly Fresh Cow Bucket with galvanized handles, solid storage lid included. 80 lbs. (38 ltr.) capacity. Wt. 15.5 lbs. We recommend Lid #140425 or Lid #4008096 shown opposite.

MP120X Poly Bucket with S.S. short locking handle (approved for Grade A) including solid storage lid. 40 lb. (19 ltr.) capacity. Wt. 9.25 lbs.

MP140X Poly Bucket with S.S. short locking handle (approved for Grade A) including solid storage lid. 80 lb. (38 ltr.) capacity. Wt. 15.5 lbs.

120140MH Replacement Locking S.S. Handle for MP120X or MP140X.

Stainless Steel Milking Buckets

Our Milking Buckets are made of fully approved, high polish stainless steel. Rim diameter is 7-1/16" ID by 7-3/4" OD. Hand grip is attached to reinforced bottom rim. Larger size buckets include an additional handle at the top of the body for ease of carrying and pouring.

140411 S.S. Bucket, 65# (30 liter). Wt. 12 lbs.

140411D S.S. Bucket, 65# (30 liter) with shorter handle for D/L style lids. Wt. 12 lbs.

140408 S.S. Bucket, 80# (34 liter). Wt. 14 lbs.

140408D S.S. Bucket, 80# (34 liter) with shorter handle for D/L style lids. Wt. 14 lbs.

140424L Repl. long handle.

140424S Repl. short handle.

Ecobucket Poly Fresh Cow Bucket

Ecobucket is made of semi-transparent, translucent FDA-approved material. It features smooth seamless molded interior and a reinforcement ring at the bottom for strength and ease of gripping. Ecobucket has a stainless steel locking handle, snap-on handle attachment (fits either side of bucket) and molded-in permanent scale marked in lbs. and kgs. Top OD is 7-3/4" (19.5cm).

2619001 65# (30 L) Ecobucket with Locking Handle (short-style for DeLaval). Wt. 7 lbs.

2619002 65# (30 L) Ecobucket with Locking Handle (long-style). Wt. 7 lbs.

2619009 50# (23 L) Ecobucket with Locking Handle (short-style for DeLaval). Wt. 6.2 lbs.

2619006 50# (23 L) Ecobucket with Locking Handle (long-style). Wt. 6.2 lbs.
